Fax: +91 891-2577502 / 356

Cmde Hemant Khatri brings with him rich experience in ship repairs and ship Construction. Having served in Naval Dock Yard, Visakhapatnam for seven years in various capacities and as CRO, HQENC, he was instrumental in successful completion of medium refit and modernization of an Indian Navy Submarine undertaken at HSL in 2015. The officer also had the opportunity of overseeing construction at Fincantieri Shipyard in Italy as in charge of Indian Naval overseer Team that monitored construction and delivery of two naval fleet tankers INS Deepak and INS Shakti of Indian Navy which was completed in a short span of three years and without any cost and overrun. Cmde Hemant Khatri had taken premature retirement and took over the charge of Director (strategic Project) of HSL on 01 Apr 2017. Under his leadership, the Company commenced the Normal Refit of another IN Submarine and successfully executed the contract. The Submarine was delivered to Indian Navy 09 days before the contractual scheduled and brought accolades to the company. The contract has turned out to be one of the most profitable contract executed by the company. Cmde Hemant Khatri relinquished the office of Director (Strategic Project) and assumed the charge of C&MD on 01 Sep 2020.
