1. As a part of Govt. Of India's various initiatives on enhancing ease of doing business, MOD/DDP, vide their letter 59011/3/2016-D(HAL-II)/EA dated 18 Jan 2017, directed all the DPSUs to relax the procedures related to registration of vendors who are registered with one or more other DPSUs for the specified product and intended to participate in HSL tenders.
2. In compliance with the above directives, the following guidelines are issued:

“Vendors registered in other Defence PSUs are to be considered as Deemed Registered. This Deemed Registration will enable the vendors to participate in all future tenders of DPSUs for similar category of goods/services subject to fulfilment of other eligibility criteria indicated in the RFQ. However, prior to placing of order, in case the vendor is selected after following the due process/procedure, all the formalities relating to completion of regularization of the Registration Process as per the extant procedure of this will have to be completed”
3. The above procedure is included in the Manual on Procurement of Materials and Services of HSL at the article 19.21.1.
4. All the Procurement/Outsourcing wings are hereby instructed to follow the above procedure henceforth.
